

# Deeper than the Deepest

Russian Composer

Deeper than the deepest of the oceans,  
Everlasting, deep beyond compare  
Higher than the highest lights of heaven,  
Is the love that Christ with us does share.

### *Refrain*

*He has cleansed me from sin's blight  
And given me robes of pure white;  
And His Holy Spirit given me -  
I now am in His family.*

Dark and fearful, striking me with terror  
Were the years that I had spent in sin!  
I was lost, unfortunate and hopeless -  
Jesus found me, and He took me in.

### Refrain

Praise the Lord! for by the grace of Jesus  
I am saved! From sin and death set free!  
Over me sin has no more dominion -  
Jesus Christ, my Saviour, dwells in me.
